## PROJECTS

### Furrpal Mobile App

Software Development Group Project (Sep 2024 - April 2025) - SDGP Group

- This is for dog matchmaking mainly and included a community forum and pet accessories shop.
- FurrPal is a Flutter based mobile application where the backend is implemented using firebase. And well designed UI with Figma. And this app follows agile software development method. My role is to implement the frontend mainly and documentry part

### Student Grades Record System

Software Development I, *First Semester of 2023*

- Developed a Python-based system for managing and recording student grades, designed to streamline grade calculation and data storage
- Ability to add, update, calculating grades efficiently.
- Accuracy with testing, resulting in a reliable tool for grade management.

### Plane Booking Management System

Software Development II, *Second Semester of 2023*

- Implemented a java application for managing plane ticket bookings, passenger details and assignments.
- Designed interactive feature for booking, update, and tracking ticket information efficiently.
- Focused on a user-friendly design to streamline the ticket management process.

### Zero Hunger Website

Website Development and Design, *Second Semester of 2023*

- Built a responsive website using HTML, CSS, and JavaScript, focused on user-friendly navigation and modern design.
- Designed interactive features to enhance user engagement and improve usability.
- Ensure cross-browser compatibility and optimized the site for mobile and desktop platforms.

---

## ACHIEVEMENTS

- Completed java 17 certificate course in LinkedIn.
- Obtain General Proficiency award at school in 2019.
- Participated in Zonal ICT Competition in 2019.
- Obtaining Best results for Ordinary Level exam in 2019.

---

## EXTRA-CURRICULAR ACTIVITIES

- Played cricket upto under 17.
- Past member of BRC junior Cricket Club.
- Treasurer of the College Senior Steward board.(2020)
- Member of the College ICT society.(2019)

---

## REFEREES

Mr. K.A.M. Fernando  
Managing Partner  
Computer 2000  
No. 39/4C, Ds.Senanayke Mawatha, Borella.  
0777 289242

Mr. Thilina Jayasuriya  
Software Engineer  
Docupath AI  
070 130 1688  
thilinadjayasuriya@gmail.com

I hereby certify that the particulars furnished above by me are true and accurate to the best of my knowledge

A handwritten signature in black ink that reads "Fernando". The letter "F" is large and stylized, with a horizontal line extending from its base across the rest of the name. The rest of the name "ernando" is written in a cursive, flowing script.

**Signature**
